SPONSORSHIP LETTER

Subject: Academic Project Sponsorship – “Blockchain Voting with Face Authentication”

Dear Sir/Madam,

We are pleased to provide project sponsorship and technical development support to the following students of the Computer Department for their academic project during the academic year 2026–2027.

Project Title: Blockchain Voting with Face Authentication

Team Members

1. Dhanashri Sharad Pagar
2. Srushti Prashant Sonawane
3. Pranjal Mahesh Bhavsar
4. Kirti Pravin Suryawanshi

Scope of Sponsorship

As part of this sponsorship, Shyntrix Infotech will provide technical support and assistance for the development of the proposed project. The sponsorship covers support for project planning, software implementation, blockchain integration, face authentication implementation, database and backend development, user interface development, system testing, documentation, project report preparation, presentation preparation, and project demonstration guidance. The project is being undertaken for academic and educational purposes as part of the students' academic curriculum.

We appreciate the students' efforts and wish Dhanashri Sharad Pagar, Srushti Prashant Sonawane, Pranjal Mahesh Bhavsar, and Kirti Pravin Suryawanshi success in their academic project and future professional careers.

Yours sincerely,

For Shyntrix Infotech

Anshika Halwai
